Guidelines for Gathered Worship

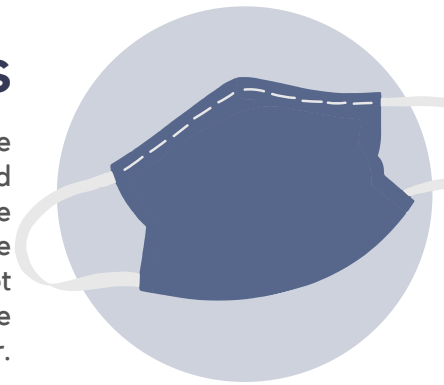

PHYSICAL DISTANCING

Please maintain physical distancing of at least 6 feet while in the sanctuary and other parts of the building. Chairs in the sanctuary will be purposefully arranged with seating in every other row and 3 chairs between groups.

MASKS

Masks that fully cover the nose and mouth are required during the worship service and at all times while inside the building. If you do not have a mask, one will be provided to you at the door.

CLEANING STATIONS

Hand sanitizing stations are located at the main entrance and throughout the building.

HAND TO HAND ITEMS

No items will be passed among worshippers before or during the service (Orders of Worship, communion plates, etc.). There is a basket in the rear of the sanctuary into which you may place your offering as you enter or depart. In addition, we encourage touchless greetings like waves, smiles, and verbal greetings rather than handshakes or hugs.

SANITATION

All sanctuary seating and touched surfaces of the building (door handles, countertops, etc.) will be cleaned and sanitized before, between and after worship services.

AT-RISK INDIVIDUALS

Those who fall into any at-risk categories are encouraged to remain home and participate in worship via live stream or recorded services.
